

Do you want to be part of the largest robotics fair in the Nordics? - Join R-24!

The development in robotics, automation, and drones in the City of Odense has been tremendous over the past 20 years, and today, Odense has one of the world's leading robotic clusters. Therefore, it is not a coincidence that our city is hosting the largest robotics fair in the Nordics, with +7000 expected visitors, and +140 exhibitors - R-24!

Why choose Odense?

WORLD'S FIRST LARGE STRUCTURE PRODUCTION CENTER	HOME OF WORLD'S BIGGEST COBOT HUB	+130 COMPANIES HAVE SETTLED IN ODENSE	EUROPE'S EASIEST PLACE FOR DOING BUSINESS
ODENSE IS A STRONGHOLD WITHIN ROBOTICS, DRONES, AND AUTOMATION	HOME TO THE WORLD'S LEADING ROBOT UNIVERSITY, SDU	+900 MIL. EURO SECURED IN INVESTMENTS WITHIN ROBOTICS AND DRONES	
	1# EUROPEAN R&D INSTITUTE IN ROBOTICS		UAS NATIONAL TEST- CENTER WITH UNIQUE BVLOS POSSIBILITIES

Let's talk!

Invest in Odense - a gateway to expertise and knowledge

We match businesses and investors with relevant local partners.

Feel free to reach out to our Investment Managers and book a free, non-committal meeting by using the **QR-code**

Are you an international company considering doing business in Odense?

Join R-24!

From 13 – 15 March in Odense

- ✔️ Robotics is in Odense's DNA, and when we are hosting r-24 - the largest fair for robotics, automation, and drones in the Nordics - participants will get the opportunity to explore first-hand how public, industrial, and scientific organizations are keen to collaborate on robotics, automation, and drones.
- ✔️ Meet entrepreneurs, investors, stakeholders companies, academics, as well as end-users and policymakers in the fields of robotics, automation, and drones from all over Europe and beyond to discuss initial ideas for collaboration and share experiences.
- ✔️ Get an insight into the vibrant robotics, automation, and drone ecosystem of Odense.
